

| TIME (EDT) | August 2, Tuesday | August 2, Tuesday | August 3, Wednesday | August 3, Wednesday |
|---------------|---|----------------------------------|--|--|
| 9:00 - 10:00 | Keynote Speaker: Dr. Petra Rudolf | | Keynote Speaker: Dr. Darío Núñez Zúñiga | |
| | Title: A PhD is not enough ... How to prepare for a career in academia | | Title: Sharing Physics with the national communities Challenges and lessons | |
| 10:00 - 11:30 | Session 1A | Session 1B | Session 1A | Session 1B |
| | Gravitational Physics | Biomedical Physics | Condensed Matter, Solid State, and Materials Physics | Quantum Information and Computing |
| 12:00 - 13:30 | Session 2A | Session 2B | Session 2A | Session 2B |
| | Gravitational Physics | Particle and High Energy Physics | Condensed Matter, Solid State, and Materials Physics | Machine Learning and Numerical Methods Physics Education |
| 14:00 - 15:00 | Keynote Speaker: Dr. Katepalli Sreenivasan | | Keynote Speaker: Dr. Ivan Booth | |
| | Title: The Impact of Abdus Salam A Great Scientist and an Inspirational Humanitarian | | Title: Things I didn't know when I was a grad student | |
| 15:00 - 16:30 | Session 3A | Session 3B | Session 3A | Session 3B |
| | Gravitational Physics | Particle and High Energy Physics | Atmospheric and Space Physics | Optics Applied Physics |
| 17:00 - 18:30 | Session 4A | | Awards Ceremony | |
| | Cosmology | | | |
